

Another 100<sup>th</sup> birthday and craft display from the residents art group.

Although this is January,  
we have just received  
several cards from the  
residents' pen pals in a  
junior school in Italy.  
The children write to  
the residents during the  
year.

Baking in the Wing and it tasted great

Burns Night is always a favorite and a big thank you must go to Ian & Kenny who entertained the residents and got everyone involved.
