ECKLING GRANGE
CARE

*Employee
of the
Month*

Eckling Grange recognizes that our staff work very hard and often give above and beyond their normal duties.

As a thank you to our staff we have introduced an

EMPLOYEE OF THE MONTH

reward which will be chosen by you. Residents, relatives, visitors, health care professionals or other staff members can nominate any member of staff.

If you feel that a member of staff has given that bit extra in their job role, please complete this form giving a short explanation of why you feel this person deserves the award.

The employee of the month will be chosen at the end of the month and will be rewarded with a small thank you gift and a certificate, we will also put a photo on the notice board in both wings announcing the winner.

Thank you for your time and consideration.

Please place your completed forms in the box above the visitors' book. Thank you
