

Employee of the Month during Covid has to go to you all for everything you have ALL DONE.

February 2020 Employee of the Month

June Howes

In between kitchen duties in The Wing, June went around the residents, massaging their hands and talking to them about how it made them feel, etc.

She has also done other activities, such as singing and ball games.

Nominated by a colleague.

January 2020 Employee of the Month

Cheryl Fowkes-Braule

Despite having dental problems, Cheryl came to work and led the children's Christmas party very well. I thought she was happy and very friendly to the children. She was also an excellent Father Christmas a couple of days later.

Nominated by a work colleague.
